

Canadian Naval Memorial Trust - Donations

The Canadian Naval Memorial Trust has been able to achieve its mission for over three decades because of the generosity of its membership, corporate supporters, and the Canadian public at large. The Trust very much appreciates all contributions and issues charitable tax receipts for a donation of \$10 or more. For donations up to \$499.00 information on the actual donor is not made public. For donations of \$500 or more, the Donor Recognition Program is activated to provide a broader form of public acknowledgement of major supporters, subject to the agreement of the donor.
